

Reflection Prompts

Student reflections can be answered by students via text, audio recording, or video recording. An easy way to do this is to use Photo Booth on your Mac.

Understanding the Challenge

- Explain the big idea, essential question, and the challenge.
- Why is this important to you and your community?
- Who does the challenge impact?

Guiding Questions/Research

- What were the most valuable guiding questions?
- What kinds of surprises did you encounter during your research?
- What resources were the most valuable?

The Solution

- Describe the process your team went through to come to your solution.
- What things did you try that didn't seem to work?
- Why do you think your solution will make a difference?

Executing the Solution

- How did you put your solution into action?
- How did you measure its effectiveness?
- What obstacles did you face during this process?

Teamwork

- What challenges did you face working as a team?
- How did your group utilize individual talents?
- What have you learned about collaboration?

Review of Your Work

- Could you have solved this challenge differently?
- What would you do differently if you were to take on this challenge again?
- What is one thing you learned that you will never forget?

Connections

- What did you learn during this process that you didn't know before?
- How can you apply this process and/or your solution to other similar challenges in the world today?
- What skills did you learn that apply to other areas of your learning?
