

Accessing Core Competency Documents

1. Core Competency Page on Ministry of Education Curriculum site:

- Ministry of Education Curriculum Site: <https://curriculum.gov.bc.ca/competencies>

OR

- Go to **Curriculum Connections, Curriculum Starting Guide, Documents:**

<https://sd75curriculum.com/starting-guide/documents/>

(Scroll down the page until you get to Core Competencies.)

“Each of the core competencies are listed below. Click anywhere on the graphic to go to the Core Competency page on the BC Curriculum site. Each core competency has sample illustrations of student work.”

****Many new video illustrations have been added during the fall of 2016**.**

Communication -The communication competency encompasses the set of abilities that students use to impart and exchange information, experiences and ideas, to explore the world around them, and to understand and effectively engage in the use of digital media.

[View the **Communication** Profiles and Illustrations »](#)

Thinking - The thinking competency encompasses the knowledge, skills and processes we associate with intellectual development. It is through their competency as thinkers that students take subject-specific concepts and content and transform them into a new understanding. Thinking competence includes specific thinking skills as well as habits of mind, and metacognitive awareness.

Personal and Social - Personal and social competency is the set of abilities that relate to students' identity in the world, both as individuals and as members of their community and society. Personal and social competency encompasses the abilities students need to thrive as individuals, to understand and care about themselves and others, and to find and achieve their purposes in the world.

2. Direct links to profile documents for each Core Competency in English and French.
 - Go to **Curriculum Connections, Curriculum Starting Guide, Documents:** <https://sd75curriculum.com/starting-guide/documents/>
(Scroll down the page until you get to Core Competencies.)
